

ARABIC SUMMER LANGUAGE INTENSIVE

Make this Ramadan a month to dive into Arabic

During Ramadan, AEI will offer a one-month intensive course in colloquial Gulf Arabic. The intensive focuses on Spoken Gulf Arabic, so you can immediately begin talking with your Arab friends and neighbors.

You will study Arabic under the direction of our trained and experienced Omani teachers. We use proven curriculum that ensures you do not waste any time, but begin speaking and sounding like a local. We will teach you everyday vocabulary and common expressions used by Arabic speakers in the Gulf, so you can express yourself like a national.
